

**Meeting of the Natural Environment Work Group Core**  
**Friday, December 8, 2006, 12 noon**  
**MVC offices**  
**(bring a bag lunch)**

Agenda

1. Followup from meeting on November 20 with larger Work Group (**12-12:30**)
2. Preliminary review of available data, particularly maps with guest Chris Seidel, GIS Coordinator (as a prelude to strategizing securing of any outstanding data needs in a timely fashion)(**12:30 - 1:30**)
3. Next meeting – December 21 – conference call?
